

# What Baptism Celebrates, With a Math Lesson

**Welcome!** We are glad you joined us today.

**Our vision** is to develop people into followers of Jesus Christ with a passion to worship God well and communicate his love to others.

**If you are our guest today**, please complete the guest card located in the pocket of the chair in front of you.

**Harvest Kids classes** are available during the worship service for babies - preschoolers. Normally, elementary students join their families for the first portion of the service, and then are dismissed to their classes, but today they will remain with us for the entire service.

**Today's sermon** is based on Acts 16:13-34 and is titled, "What Baptism Celebrates, with a Math Lesson." We will return to our series on 2 Corinthians, "Power through Weakness," next Sunday.

Lydia's \_\_\_\_\_ was \_\_\_\_\_.

The jailer and his family \_\_\_\_\_.

You can't \_\_\_\_\_ to it.

\_\_\_\_\_ from it.

What you witness today is a celebration of what has \_\_\_\_\_  
\_\_\_\_\_. It has no power to save in and of itself.

These people today are taking a step to \_\_\_\_\_  
\_\_\_\_\_ as a follower of Jesus.

Praise God that He is at work to \_\_\_\_\_ people from
