Jim & Jeanni Bennett | Concord, Huntersville, Charlotte**

Alternating homes / Every other Sunday @ 3 p.m.

What to expect:

When it comes to mission we are trying to help our coworkers and neighbors understand the person and work of Jesus. When we gather as a group we read Scripture and pray for one another as it relates to those we want to see come to Christ. We select a passage of Scripture (usually about 6 chapters) and read those chapters throughout the week. When we get together we discuss what we noticed, what God taught us, and questions we had.
